C. R. Bard, Inc. does not guarantee that use of any of the codes noted above will ensure coverage or payment at any particular level. Medicare payment can vary in sections of the country. Coding and payment can also vary for insurers other than Medicare. Physicians and hospitals should confirm with a particular payor or coding authority, such as the American Medical Association or medical specialty society, which codes or combinations of codes are appropriate for a particular procedure or combination procedures. Reimbursement for a product or procedure can vary depending upon the setting in which the product is used. Coverage and payment policies also change over time, so the information provided here may at some point need to be revised.

Please consult product labels and package inserts for indications, contraindications, hazards, warnings, cautions, and information for use. US and foreign patents pending.
